FILO party, a celebration

On the 9th and 10th October 2013, FILO the International fair of yarns and fibres, celebrates its twentieth anniversary with the 40th edition of the event.

It will be a sparkling edition and not only in the figurative sense...

Such a special anniversary must be celebrated properly: layout, trend area and the round table will be dedicated to "youth", or the desire to look at the future of the fashion world.

The real celebration has been set for the evening of the 9th of October with FILOparty: an evening of lights and surprises dedicated to exhibitors, buyers and the press which will conclude with an award for the most "faithful" supporters of FILO.

FILOparty will celebrate its twentieth anniversary of the event together with all of those who have worked to make FILO a unique exhibition not to be missed in the realm of trade fairs. There is satisfaction for the goals that have been achieved and there is the certainty of new success on the horizon.

We are expecting you!
