## **Filo: the “Con le mani” project continues – Episode VI” is online Interview with Alberto Paccanelli**

Alberto Paccanelli, president of Euratex and CEO of Martinelli Ginetto, tackles many crucial issues during his interview for Episode 6 of “Con le mani”, the series of meetings with some eminent testimonials from the textile world organized by Filo.

The president of Euratex focuses on the measures taken in the European context to support workers and textile-clothing companies during the pandemic. But Mr. Paccanelli also looks to the future, to the concrete opportunities for recovery in the sector, with particular attention to SMEs, the “backbone” of the excellence of the Made in Italy supply chain.

The video of the interview with Alberto Paccanelli is online and available on the Filo (<https://filo.it/con-le-mani-episodio-6-alberto-paccanelli/>).

The video interview is also released through YouTube and the Salon’s social networks (Facebook, Twitter, Instagram).
