For a safe Filo: online pre-registration and “reinforced” Green Pass

[Pre-registration](#) for the 57th edition of Filo is open. Online pre-registration before accessing the fair is mandatory, in compliance with the indications by health authorities.

In addition, according to provisions of law, entry to the 57th edition of Filo will be allowed only to participants holding the “reinforced” Green Pass, that is the certificate issued to people who have completed the anti-Covid vaccination cycle or have recovered from the infection for less than six months. The “reinforced” Green Pass is not granted to people who undergo molecular or antigen tests.

Body temperature will also be checked upon entering the fair.

All these security measures, required by law and implemented by Filo in collaboration with Fiera Milano, are necessary to guarantee a Covid-free 57th edition of Filo, allowing exhibitors, buyers, visitors, press and all participants to work with no additional stress during the two days of the fair.

Continuously updated provisions for entering the fair are available on the [Filo website](#): we suggest visitors to consult them.

The 57th edition of Filo takes place on 23 and 24 February 2022 at MiCo - Milan (via Gattamelata 5).
