FOR APPAREL, FURNISHING AND TECHNICAL TEXTILES

## Filo #59: TENCEL innovation for Orange Fiber

TENCEL™ is a leading contributor of “Dialoghi di Confronto” at the 59th edition of Filo, with the talk entitled: “Innovation at Lenzing: TENCEL™ Luxe and TENCEL™ Limited Edition x Orange Fiber”.

The appointment is at Allianz MiCo-Milano, Filo Networking Area

**Wednesday 22 February 2023, at 3.30 pm**

In the talk, Carlo Covini, BD Manager Lenzing AG, together with Enrica Arena, CEO Orange Fiber, illustrates two angles on innovation: TENCEL™ Luxe, the continuous filament developed thanks to proprietary know-how and dedicated to the silk and fancy yarn market; TENCEL™ Limited Edition x Orange Fiber, the innovative fiber developed with the partnership of the innovative Italian company creating fabrics for fashion.

The two innovations have been applied in an exclusive scarves collection (warp in TENCEL™ Luxe - weft in TENCEL™ Limited Edition x Orange Fiber) and can be independently used in different creative product developments.

The 59th edition of Filo takes place on 22<sup>nd</sup> and 23<sup>rd</sup> of February 2023 at Allianz MiCo – Milano (via Gattamelata 5).
