Author: Fashion Value Chain

Filo64, the benchmark international textile fair, continues to celebrate excellence in yarns and textile materials. Filo not only showcases high-quality collections for fabrics and garments but also facilitates vital exchanges between textile and fashion professionals along the supply chain.

Dialoghi di Confronto: Key Industry Discussions

Filo64 hosts the "Dialoghi di Confronto", a series of talks addressing sustainability, innovation, and technology in textiles. Over two days, leading industry figures discuss topical issues shaping the future of fabrics, fibers, and production.

Day 1 – September 23, 2025

- **2:00 PM:** *High Fashion and Sustainability: Hemp Yarn Takes Center Stage* – Journalist Elisabetta Invernici interviews designer Gisele Claudia Ntsama.
- **2:30 PM:** *Digitizing Product Data: The Key to Being Your Customers' First Choice* – Loredana Moimas, founding partner at Ovido, discusses business management technologies for textile companies.
- **3:00 PM:** *The New Era of Fibers: Knowledge, Traceability, Research, and Sustainability* – Panel discussion with Paolo Pezzin (Napapjri), Giorgia Carissimi (Albini Next / Supima®), Ettore Pellegrini (Asahi Kasei Fibers), Fausto Pozzi (Brunello), and Letizia Scopelliti (Haelixa). Moderator: Giusy Bettoni (C.L.A.S.S.).

Day 2 – September 24, 2025

- **10:00 AM:** *Man-Made & Recycled Fibers: Implementation of ZDHC Guidelines* – Carlo Covini (Lenzing) and Marta Simonetti (ZDHC). Moderator: Elisa Gavazza (ZDHC).
- **10:30 AM:** *InsideOut – Values in Clear: Why Trust is the New Luxury* – Discussion with Giusy Bettoni, Chiara Tronville, Manuela and Simone Gaslini. Moderator: Chiara Puglisi (SkyTg24).
- **11:30 AM:** *International Prospects and Potential Markets for the Textile Supply Chain* – Presented by Omar Safi, Ceipiemonte MARKET INTELLIGENCE Office.
- **12:00 PM:** *ERP Evolution: Redesigning Textile and Manufacturing Production* – Hosted by Inoma with speakers Gianluca Giovanardi, Marco Vallini, and Adolfo Marchetti.

Filo64 takes place on September 23–24, 2025, at Fiera Milano Rho, Hall 14, providing a platform for innovation, sustainability, and cutting-edge technologies in the global textile industry.
