

Filo 64 Opens with Focus on Innovation & Sustainability

Author: TEXTILE VALUE CHAIN

The **opening ceremony of the 64th edition of Filo** will take place on **Tuesday, September 23, 2025, at 10:30 a.m.** at **Fiera Milano Rho, Hall 14**. The event is titled *"Innovation, Sustainability, Legality: The Future of Made in Italy."*

The program will begin with introductory remarks from **Paolo Monfermoso**, Head of Filo; **Pier Francesco Corcione**, General Manager of the Unione Industriale Biellese; and **Elena Chiorino**, Vice President of the Piedmont Region.

The first part of the ceremony will feature speeches by **Gilberto Pichetto Fratin**, Minister of Environment and Energy Security, and **Matteo Zoppas**, President of ITA-Agenzia for Internationalization.

The morning will continue with a **roundtable discussion** including **Mauro Chezzi** (Deputy Director of Confindustria Moda and Representative of Retex.Green), **Giovanni Marchi** (President of MagnoLab), **Francesca Rulli** (Co-founder of Ympact and Founder of 4sustainability), and **Luca Sburlati** (President of Confindustria Moda). The session will be moderated by **Laura Ricardi**, journalist at the UIB Press Office.

To facilitate participation by international visitors and buyers, the ceremony will provide **simultaneous English translation**, accessible through a QR code generated by Filo's digital services team.
